

CONTAINERS UNDER 400 l

Insulated pallet containers under 400- litre capacity

High insulated containers in sizes 300 and 350.

This capacity range is not available in the heavy-duty type.

Capacity

Size 300 has a capacity of 260 litres.

Size 350 has a capacity of 330 litres.

Suitable for small space

This size is ideal for use where space is limited.

Highly suitable for smaller boats, where fish must be stored on ice.

Up to 4 containers can be stacked fully loaded one on top of the other to save floor space.

Marinating and storage

These containers are widely used for marinating and storage of chilled products.

Meat processing

This size is used in meat processing.

| | Tub order no. | Height | Width | Length | Capacity litres |
|--|---------------|--------|-------|--------|-----------------|
|  SIZE 300 | 20156 PUR | 68 | 71 | 91 | 260 |
|  SIZE 350 | 20157 PUR | 73 | 76 | 92 | 330 |
